

CLT Test-Day Checklist

For the May 19 CLT

- **S**tudents will begin to be admitted to the CLT exam room 15 minutes prior to the start time of your test. You may begin arriving to your test site a few minutes earlier to ensure that you have found the proper room and are ready to be admitted. Test room doors will be closed promptly at the hour of your start time. In the Eastern and Central time zones, the start time is 10:00 a.m. In the Mountain and Pacific time zones, the start time is 9:00 a.m. Students will leave 2 hours and 25 minutes after their start time.
- **Make sure you know your CLT username and password.** Make sure you can login to your CLT account before test day. If you forget your password, you can reset it at www.cltxam.com/reset.
- **Wake up in time to get ready for the day.** Don't rush out, speeding to the test site and rushing to your test room. This is not conducive to clearing your mind and preparing yourself for a two-hour test.
- **Eat a good breakfast.** Don't eat anything too heavy or too outside your normal routine, but make sure you get a substantial breakfast. Fruits, proteins, and water are best. Avoid sodas and sugary foods.
- **Because you can't leave during the test,** be sure to use the restroom before going to the test site. The test is 2 hours: 40 minutes for Verbal Reasoning, 35 minutes for Grammar/Writing, and 45 minutes for Quantitative Reasoning. If you leave during the exam, you may not return, and your test will be marked as "Incomplete."
- **What to bring?**
 - ✓ **Bring your testing device** (tablet or laptop), and make sure it's fully charged. Test sites may or may not have power available to you.
 - ✓ **Bring an acceptable form of identification.** This includes your passport, driver's license or permit (if photo included), state ID, military ID, high school ID (current year only), or HSLDA student ID (current year only). Other forms of ID are not currently accepted.
 - ✓ **Bring a writing utensil to testing day** for use on scratch paper (which will be provided).
 - ✓ **Bring a watch or timepiece,** such as an analog watch. Timepieces must not have internet availability, the ability to communicate with other students in any capacity, a calculator, or distracting sounds.
 - ✓ **Please note that books are no longer permitted in the test room.**
- **Make sure your device's software and browser are up-to-date.** Most modern browsers should work perfectly fine; however we only guarantee operation on the major browsers listed below. If your device can access and take our practice tests without difficulty, then it should also be able to access the actual test. These can be accessed at www.cltxam.com/practice-home.
