

## Student, Sample - CLT on January 9, 2021

### Score Summary

Scores are shown by subject area and total. The chart to the right compares your subject section scores to one another. A well-balanced score would have equal areas in each subject section.

|                        | Score    |
|------------------------|----------|
| Overall Score          | 79 / 120 |
| Verbal Reasoning       | 25 / 40  |
| Grammar / Writing      | 28 / 40  |
| Quantitative Reasoning | 26 / 40  |

  

| SAT / ACT Concordance | Projected Score | Nat'l Percentile |
|-----------------------|-----------------|------------------|
| SAT                   | 1210            | 82 <sup>nd</sup> |
| ACT                   | 25              | N/A              |

### CLT Test-Takers Comparison

This report displays how your scores compare to all other examinees on this test type (CLT, CLT10, or CLT8). The percentiles indicate the percentage of students that scored lower than your score, in each category. The chart displays where each of your scores fall among all examinees. The area in the middle contains the majority of students. Scores right-of-middle indicate above-average performance, whereas scores left-of-middle indicate below-average performance.

|                        | CLT User Percentiles |
|------------------------|----------------------|
| Overall Performance    | 57 <sup>th</sup>     |
| Verbal Reasoning       | 35 <sup>th</sup>     |
| Grammar / Writing      | 50 <sup>th</sup>     |
| Quantitative Reasoning | 82 <sup>nd</sup>     |

# Academic Domains and Subdomains Report

Below are analytics on how you performed by question type. These question types are broken out by academic domains and academic subdomains. The metric, % correct, indicates what percentage of questions you got correct within each category

| Top Question Types                                 |               | Areas for Improvement                              |              |
|--|---------------|--|--------------|
| Question Type by Academic Domain-Subdomain Pairing | % Correct     | Question Type by Academic Domain-Subdomain Pairing | % Correct    |
| Mathematical Reasoning - Logic                     | 100%<br>(8/8) | Algebra - Algebraic Expressions and Equations      | 20%<br>(1/5) |
| Grammar - Agreement                                | 80%<br>(8/10) | Analysis - Interpretation of Evidence              | 40%<br>(2/5) |
| Writing - Word Choice                              | 75%<br>(3/4)  | Geometry - Properties of Shapes                    | 50%<br>(3/6) |
| Analysis - Textual Analysis                        | 75%<br>(6/8)  | Writing - Style                                    | 50%<br>(4/8) |

## Detailed Performance by Subject Section, Academic Domain, and Academic Subdomain

| Question Type by Academic Domain-Subdomain Pairing | % Correct          | Example Practice Questions |
|--|--------------------|----------------------------|
| <b>Verbal Reasoning</b>                            | <b>63%</b>         |                            |
| <b>Analysis</b>                                    | <b>62% (8/13)</b>  |                            |
| Interpretation of Evidence                         | 40%                | <a href="#">12</a>         |
| Textual Analysis                                   | 75%                | <a href="#">4</a>          |
| <b>Comprehension</b>                               | <b>59% (16/27)</b> |                            |
| Passage as a Whole                                 | 50%                | <a href="#">8</a>          |
| Passage Details                                    | 64%                | <a href="#">6</a>          |
| Passage Relationships                              | 63%                | <a href="#">10</a>         |
| <b>Grammar / Writing</b>                           | <b>70%</b>         |                            |
| <b>Grammar</b>                                     | <b>75% (15/20)</b> |                            |
| Agreement  | 80%                | <a href="#">43</a>         |
| Punctuation and Sentence Structure                 | 70%                | <a href="#">51</a>         |
| <b>Writing</b>                                     | <b>60% (12/20)</b> |                            |
| Structure  | 63%                | <a href="#">49</a>         |
| Style  | 50%                | <a href="#">48</a>         |
| Word Choice  | 75%                | <a href="#">59</a>         |
| <b>Quantitative Reasoning</b>                      | <b>65%</b>         |                            |
| <b>Algebra</b>                                     | <b>40% (4/10)</b>  |                            |
| Algebraic Expressions and Equations                | 20%                | <a href="#">110</a>        |
| Arithmetic and Operations                          | 60%                | <a href="#">99</a>         |
| <b>Geometry</b>                                    | <b>64% (9/14)</b>  |                            |
| Plane Geometry                                     | 75%                | <a href="#">95</a>         |
| Properties of Shapes                               | 50%                | <a href="#">84</a>         |
| Trigonometry                                       | 75%                | <a href="#">111</a>        |
| <b>Mathematical Reasoning</b>                      | <b>81% (13/16)</b> |                            |
| Logic  | 100%               | <a href="#">91</a>         |
| Word Problems                                      | 63%                | <a href="#">86</a>         |
